

This survey is being conducted to help determine the interests of the members of the Valley of Southern Illinois. We want to see where the interests lie among our members so we can create events and establish groups where like-interests will encourage involvement, partnership, fellowship, and enable an overall sense of belonging to our fraternity.

Please place a mark next to all of your “interests” listed below to help us assess the interests of our membership. At the end of the list, identify what your top three interests are among those listed, or perhaps you’ve identified something not on the list provided.

1. Cars:

- auto mechanics
- auto restoration
- car shows
- other _____

2. Cerebral:

- history—Art, Music, etc.
